Prep Book Pack Items

Attached is a booklist which guides you on the everyday items that your child will use in the classroom. You may choose to purchase these items through [Paper Chase](#) access code **GWPS** or provide your own.

If providing your own items please ensure the products purchased are an exact match. For example, if the description is for a purple 24mm dotted thirds exercise book, the book must be purple with matching line spacing.

Educational items for students to own

Attached is a list of items that the school recommends you purchase from [third party provider] for your child to individually own and use.
